

Wednesday, 18th January, 2023

From	To	Duration	Topic	Session Type	Speaker Name	Country
7:00	8:00	1:00				
8:00	9:00	1:00	Management of terrible snoring	Keynote Lecture	Yassin Bahgat & Ahmed Bahgat	Egypt
9:00	10:00	1:00	Simple snoring: diagnosis and management	Roundtable		
9:00	9:10	0:10	The snoring patient How to treat ?	Roundtable	Rodolfo Lugo	Mexico
9:10	9:20	0:10	Inoffice assessment of the snoring patient.	Roundtable	Julia Crawford	Australia
9:20	9:30	0:10	Minimally invasive procedures for snoring & OSA	Roundtable	Abdulhadi Aljassim	UAE
9:30	9:40	0:10	Multi-level radio frequency surgery in for snorers and mild osa	Roundtable	Bhik Kotecha	UK
9:40	9:50	0:10	Multilevel Radiofrequency Treatment	Roundtable	Vijaya Kirshnan	India
9:50	10:00	0:10	Injection Snoreplasty	Roundtable	Fabio Lorenzetti	Brazil
10:00	10:30	0:30		Mid- Morning Coffee Break + Poster Viewing		
10:30	11:30	1:00	Genetic and pathophysiology of OSA	Roundtable		
10:30	10:40	0:10	The mysterious improvement of OSA during deep sleep	Roundtable	Michel Cahali	Brazil
10:40	10:50	0:10	Sleep Surgery Beyond anatomy	Roundtable	Eric Thullier	Brazil
10:50	11:00	0:10	respiratory Endotyping based on polysomnographic data	Roundtable	Olivier Vanderveken	Belgium
11:00	11:10	0:10	UARS and TMD - the strong association	Roundtable	Kenny Pang	Singapore
11:10	11:20	0:10	Tools to measure muscle strength in our SDB patients.	Roundtable	Carlos O'Connor	Spain
11:20	11:30	0:10	Upper airway ultrasound with backscattered imaging for surgical phenotyping	Roundtable	Yung Stanley Liu	USA
11:30	12:30	1:00	CPAP versus surgery for OSA	Debate		
11:30	11:40	0:10	Positive airway pressure therapy adherence	Debate	Ahmed Bahammam	KSA
11:40	11:50	0:10	CPAP Therapy, key points for the ENT	Debate	Raul Martinez	Mexico
11:50	12:00	0:10	Predictive independent factor of CPAP adherence, from view point of upper airway anatomy	Debate	Chiba Shintaro	Japan
12:00	12:10	0:10	Effectiveness of surgical treatment in obstructive sleep apnea - EBM view	Debate	Carolina Ferraz de Paula Soares	Brazil
12:10	12:20	0:10	When CPAP fails?	Debate	Bhik Kotecha	UK
12:20	12:30	0:10	Current evidence for CPAP and surgery for OSA	Debate	Michel Cahali	Brazil
12:30	14:00	1:30		Lunch Break + Prayer		
14:00	15:00	1:00	Positional therapy; new devices, results, and side effects	Keynote Lecture	Nico DeVries	Netherlands
15:00	16:00	1:00	The role of the nose in OSA	Roundtable		
15:00	15:10	0:10	Nasal obstruction and facial growth	Roundtable	Emilie Bequignon	France
15:10	15:20	0:10	The Role of the nose in upper airway surgery	Roundtable	Kenny Pang	Singapore
15:20	15:30	0:10	Nasal surgery for sleep disordered breathing	Roundtable	Nicolas Busaba	USA
15:30	15:40	0:10	New Concept: Nasal Breathing Rehabilitation after Functional Surgery	Roundtable	Raul Martinez	Mexico
15:40	15:50	0:10	Nasal reconstruction principles: Beyond surgical limits	Roundtable	Maria Alejandra Pulido	Columbia
15:50	16:00	0:10	Nasopharyngeal stenosis as a cause for OSA and how to manage	Roundtable	Mohamed Eesa	Egypt
16:00	16:30	0:30		Afternoon Coffee Break		
16:30	17:30	1:00	The nose in OSA; surgical techniques	How I do it		
16:30	16:40	0:10	Awake rhino and sinus surgery for OSAS patients	How I do it	Manuele Casale	Italy
16:40	16:50	0:10	Functional rhinoplasty for SBD	How I do it	Cristian Bachelet	Chille
16:50	17:00	0:10	Inferior turbinoplasty tunneling technique	How I do it	Mohamed Hegazy	Egypt
17:00	17:10	0:10	Combined Technique Of Diode Laser Turbinoplasty And Turbinate Lateralization For Management Of Inferior Nasal Turbinate Hypertrophy	How I do it	Ahmed Baramawy	Egypt
17:10	17:20	0:10	Turbinate reduction using coblation Evac 70	How I do it	Ahmed Negm	Egypt
17:20	17:30	0:10	Adult maxillary expansion to improve nasal breathing: from open to endoscopic techniques	How I do it	Yung Stanley Liu	USA
17:30	18:30	1:00	Multilevel surgery versus staged surgery	Panel discussion		
17:30	17:40	0:10	Office procedures for snoring & OSA	Panel discussion	Ewa Olsweska	Poland
17:40	17:50	0:10	Multilevel surgery versus staged surgery	Panel discussion	Guillermo Plaza	Spain
17:50	18:00	0:10	Basic principles in multilevel surgeries for OSA and their safety	Panel discussion	Vikas Agrawal	India
18:00	18:10	0:10	Multilevel surgery versus multi modality strategy of treatment for Osas	Panel discussion	Manuele Casale	Italy
18:10	18:20	0:10	Minimal invasive multilevel procedures in OSA: Surgical and Non-Surgical core intervention	Panel discussion	Maria Alejandra Pulido	Columbia
18:20	18:30	0:10	Dilemma in management of snoring & OSA	Panel discussion	Abdulhadi Aljassim	UAE

Thursday, 19th January, 2023

From	To	Duration	Topic	category	Speaker Name	Country
7:00	8:00	1:00		Registration + Morning Coffee		
8:00	9:00	1:00	Oral Appliances for Treatment of Obstructive Sleep Apnoea- Past, Present and Future	Keynote Lecture	Armin Moniri	Sweden
9:00	10:00	1:00	Polysomnography basics for ENT	Roundtable		
9:00	9:10	0:10	Sleep study selection? Depends on the patient, portable or laboratory?	Roundtable	Rodolfo Lugo	Mexico
9:10	9:20	0:10	Clinical Polysomnography : What a ENT Surgeon needs to know	Roundtable	Dipankar	India
9:20	9:30	0:10	Is there any relation of multiple levels of obstruction with AHI?	Roundtable	Vikas Agrawal	India
9:30	9:40	0:10	Polysomnography reading by ENT	Roundtable	Perla Sepulveda	Mexico
9:40	9:50	0:10	PSG approach to anatomic or non anatomic endotypes	Roundtable	Cristian Bachelet	Chille
9:50	10:00	0:10	Interpretation of sleep histogram	Roundtable	Ahmed Bahammam	KSA
10:00	10:30	0:30		Mid- Morning Coffee Break + Poster Viewing		
10:30	11:30	1:00	DISE; with or against?	Debate		
10:30	10:40	0:10	Sleep endoscopy with PSG(without Drugs)	Debate	Chiba Shintaro	Japan
10:40	10:50	0:10	controversies in drug-,induced sleep Endoscopy	Debate	Andrea Devito	Italy
10:50	11:00	0:10	Can we perform DISE without anesthesiologist? Review of literature	Debate	Christophe VG	Belgium
11:00	11:10	0:10	DISE; a more and more essential tool for surgery decision	Debate	Andrea Marzetti	Italy
11:10	11:20	0:10	Role of Dynamic MRI in OSA patients	Debate	Mahmoud Seif	Egypt
11:20	11:30	0:10	Paediatric DISE-How I do it?	Debate	Palma Benedek	Hungary
11:30	12:30	1:00	Drug induced sleep endoscopy; what, when and how?	How I do it		
11:30	11:40	0:10	Drug induced sleep endoscopy; Our own classification	How I do it	Vik Veer	UK
11:40	11:50	0:10	DISE Beyond VOTE	How I do it	Eric Thullier	Brazil
11:50	12:00	0:10	Transoral DISE: a game changer in sleep surgery	How I do it	Ahmed Elsobky	Egypt

12:00	12:10	0:10	DISE phenotyping in the prediction of non-Cpap outcomes	How I do it	Olivier Vanderveken	Belgium
12:10	12:20	0:10	Positional awake endoscopy in OSA	How I do it	Sherif Askar	Egypt
12:20	12:30	0:10	DISE oman experience	How I do it	Mohamed Al Ajmi	Oman
12:30	14:00	1:30	Lunch Break + Prayer			
14:00	15:00	1:00	the complete story about „Neuromodulation of the upper airway“	Instructional course	Clemens Heisser	Germany
15:00	16:00	1:00	Preoperative evaluation of OSA patient	Roundtable		
15:00	15:10	0:10	Physical exam for Obstructive Sleep Apnea patients	Roundtable	Carolina Gutiérrez-Sánchez	Mexico
15:10	15:20	0:10	Work-up of patients who present with sleep disordered breathing	Roundtable	Nicolas Busaba	USA
15:20	15:30	0:10	Approach for proper patient selection to achieve successful sleep surgery	Roundtable	Ali Majeed	Iraq
15:30	15:40	0:10	CT Cephalogram : How does it contribute in OSA Evaluation ?	Roundtable	Dipankar	India
15:40	15:50	0:10	Physical Examination, DISE, Imaging in OSA patients. Why, what is useful and when?	Roundtable	Robson Capasso	USA
15:50	16:00	0:10	Tongue Ultrasound in OSA patients	Roundtable	Valerie Wiener	Belgium
16:00	16:30	0:30	Afternoon Coffee Break			
16:30	17:30	1:00	Personalized treatment of OSA around the world	Free papers session		
16:30	16:40	0:10	A new model of integrated multimodal approach to Sleep Apnea Syndrome	Free papers session	Claudio Vicini	Italy
16:40	16:50	0:10	Improving sleep medicine knowledge to ENT doctors	Free papers session	Edilson Zencanello	Brazil
16:50	17:00	0:10	the Kuwait Amsterdam biomarkers in OSA project	Free papers session	Abdulmohsen Alterki	Kuwait
17:00	17:10	0:10	customized surgical treatment for OSA patients	Free papers session	Andrea Devito	Italy
17:10	17:20	0:10	Multidisciplinary team work for sleep patients	Free papers session	Shaun Lao	China
17:20	17:30	0:10	Knowledge and attitudes about OSA among ORL trainee and residents in KSA	Free papers session	Khaled Deligan	KSA
17:30	18:30	1:00	Personalized treatment of OSA around the world	Panel discussion	Maria Suurna	USA

Friday, 20th January,2023

From	To	Duration	Topic	category	Speaker Name	Country
7:00	8:00	1:00	Registration + Morning Coffee			
8:00	9:00	1:00	Update of targeted hypoglossal neurostimulation clinical trials	Keynote Lecture	Ofer Jacobowitz	USA
9:00	10:00	1:00	Hypoglossal nerve stimulation for OSA	Panel discussion		
9:00	9:10	0:10	Neurostimulation for obstructive sleep apnea	Panel discussion	Maria Suurna	USA
9:10	9:20	0:10	Hypoglossal nerve stimulation for OSA	Panel discussion	Mustafa Gerek	Turkey
9:20	9:30	0:10	update on Hypoglossal nerve stimulation	Panel discussion	Olivier Vanderveken	Belgium
9:30	9:40	0:10	daytime titration of UAS	Panel discussion	Madeline Ravesloot	Netherlands
9:40	9:50	0:10	Hypoglossal stimulation treatment for OSA	Panel discussion	Thomaz Antonio Fleury Curado	USA
9:50	10:00	0:10	Future of Neurostimulation	Panel discussion	Karl Hormann	Germany
10:00	10:30	0:30	Mid- Morning Coffee Break + Poster Viewing			
10:30	11:30	1:00	Coblation uses in Sleep surgery; does the end justify the means?	Instructional course	Yassin Bahgat & Ahmed Bahgat	Egypt
11:30	12:30	1:00	Palate surgery for OSA; How I do it?	How I do it		
11:00	11:10	0:10	Lateral pharyngeal wall surgeries for OSA	How I do it	Ahmed Mohy	Egypt
11:10	11:20	0:10	Current technique of lateral pharyngoplasty	How I do it	Michel Cahali	Brazil
11:20	11:30	0:10	expansion pharyngoplasty – how I perform it	How I do it	Rafael Malinsky	Brazil
11:30	11:40	0:10	Relocation Pharyngoplasty	How I do it	Li	Taiwan
11:40	11:50	0:10	Modified Relocation Pharyngoplasty	How I do it	Sandeep Bansal	India
11:50	12:00	0:10	Transpalatal advancement pharyngoplasty: when and how	How I do it	Ahmed Elsobky	Egypt
12:00	14:00	2:00	Lunch Break + Prayer			
14:00	15:00	1:00	Tongue base approaches in sleep apnea surgery	Keynote Lecture	Metin Onerci	Turkey
15:00	16:00	1:00	Tongue base surgery for OSA	How I do it		
15:00	15:10	0:10	tongue base treatment for OSA	How I do it	Peter Baptista	Spain
15:10	15:20	0:10	Coblation vs TORS of base of tongue	How I do it	Guillermo Plaza	Spain
15:20	15:30	0:10	Transoral endoscopic coblation tongue base surgery in OSA; resection versus ablation	How I do it	Rajab Alzahrani	KSA
15:30	15:40	0:10	Epiglottic collapse in patients with Obstructive Sleep Apnea - Diagnosis and treatment, Epiglottic Surgery techniques	How I do it	Itzhak Braverman	Israel
15:40	15:50	0:10	Epiglottis surgery in sleep disordered breathing	How I do it	Bhik Kotecha	UK
15:50	16:00	0:10	TORS; our experience in Qatar	How I do it	Medhat Shams	Qatar
16:00	16:30	0:30	Afternoon Coffee Break			
16:30	17:30	1:00	What is new in sleep surgery?	Free papers session	TBD	TBD
17:30	18:30	1:00	Sleep surgery; How to evaluate success?	Panel discussion		
17:30	17:40	0:10	Long term follow up of OSAS patients	Panel discussion	Carolina Gutiérrez-Sánchez	Mexico
17:40	17:50	0:10	Sleep surgery outcomes: from IAH to PhOP	Panel discussion	Eric Thullier	Brazil
17:50	18:00	0:10	New outcome measures - the SLEEPGOAL	Panel discussion	Kenny Pang	Singapore
18:00	18:10	0:10	Avoiding failures in sleep surgery	Panel discussion	Anand Raju	India
18:10	18:20	0:10	Unmet needs in sleep surgery	Panel discussion	Ahmed Sayed	Egypt
18:20	18:30	0:10	Effects of OSA surgery on urinary tract symptoms, sexual functions, blood pressure and CVS inflammatory biomarkers	Panel discussion	Philip Hsin-Ching	Taiwan

Saturday, 21st January,2023

From	To	Duration	Topic	Session Type	Speaker Name	Country
7:00	8:00	1:00	Registration + Morning Coffee			
8:00	9:00	1:00	Skeletal surgeries for OSA	How I do it		
8:00	8:10	0:10	Maxillomandibular advancement in OSA	How I do it	Nico DeVries	Netherlands
8:10	8:20	0:10	Maxillary deficiency in OSA	How I do it	Eric Thullier	Brazil
8:20	8:30	0:10	Orthognathic Surgery	How I do it	Shaun Lao	China
8:30	8:40	0:10	Combining MMA and hypoglossal nerve stimulation: when and why	How I do it	Yung Stanley Liu	USA
8:40	8:50	0:10	MMA in Canada	How I do it	Badr Ibrahim	Canada
8:50	9:00	0:10	Impact of MMA on the nose	How I do it	Mohamed Abdelwahab	Egypt
9:00	10:00	1:00	Pediatric OSA	Roundtable		
9:00	9:10	0:10	drug- induced sleep Endoscopy in OSA pediatric patients	Roundtable	Andrea Devito	Italy
9:10	9:20	0:10	RECALCITRANT PEDIATRIC OSA AFTER T AND A	Roundtable	Srinivas Kishore	India
9:20	9:30	0:10	Non-Surgical Treatment of Children with OSA	Roundtable	Karl Hormann	Germany
9:30	9:40	0:10	Tonsillectomy and orthodontic for sleep disordered breathing in children	Roundtable	Gabriella	Mexico
9:40	9:50	0:10	Orthodontic treatment for pediatric sleep disordr breathing	Roundtable	Hayfa Obaidat	Jordan

9:50	10:00	0:10	Role of distraction osteogenesis in Pierre Robin syndrome as a management of OSA	Roundtable	Mohamed Sayed	Egypt
10:00	10:30	0:30	Mid- Morning Coffee Break + Poster Viewing			
10:30	11:30	1:00	Perioperative management of sleep surgery	Panel discussion		
10:30	10:40	0:10	Peri-operative treatment for sleep surgeries	Panel discussion	Uri Alkan	Israel
10:40	10:50	0:10	Antibiotic use in sleep surgery; critical relevance	Panel discussion	Mohamed Abdelwahab	Egypt
10:50	11:00	0:10	Comparative Airway analysis in OSAS patients	Panel discussion	Vijaya Kirshnan	India
11:00	11:10	0:10	COMPLICATIONS IN OSA SURGERY	Panel discussion	Srinivas Kishore	India
11:10	11:20	0:10	Peri-operative management in OSA surgery: Lessons learned	Panel discussion	Robson Capasso	USA
11:20	11:30	0:10	Challenging cases	Panel discussion	Maria Suurna	USA
11:30	12:30	1:00	Future of sleep surgery	Panel discussion		
11:30	11:40	0:10	How to identify a myofunctional disorder in our snoring patients	Panel discussion	Carlos O'Connor	Spain
11:40	11:50	0:10	Myofunctional therapy in OSA	Panel discussion	Guillermo Plaza	Spain
11:50	12:00	0:10	Evidence based surgery for OSA	Panel discussion	Ashutosh Kacker	UK
12:00	12:10	0:10	Emerging new home diagnostic tools for a still to underestimate disease: myth or reality?	Panel discussion	Manuele Casale	Italy
12:10	12:20	0:10	3d-4K Multilevel surgery setting	Panel discussion	Giovanni Commarato	Italy
12:20	12:30	0:10	Drug treatment of obstructive sleep apnea - are we dreaming of the magic pill?	Panel discussion	Carolina Ferraz de Paula Soares	Brazil
12:30	14:00	1:30	Lunch Break + Prayer
